### NEW KENT-COLLAR Versatile

It is fashionable as well as classic. With its collar shanks spread a bit wider, the New Kent-collar is a mixture of Kent- and Hai-collar. The shirt can be worn with a suit, under a pullover or just on its own. Reinforced with collar stiffeners, this collar fits perfectly.

### KENT-COLLAR The classic

The epitome of today's shirt collar, the Kent-collar is the classic in the suit sector. It offers space for almost all tie knots and is not only very versatile regarding the shape of the collar shanks: The Kent collar also cuts a striking figure under a leather jacket.

### BUTTON-DOWN-COLLAR Sportive

A classic in the business and casual sector and at the same time the most casual collar. With its shanks the button-down collar is an allrounder which cuts a very fine figure with fairly sturdy and casual fabrics and without a tie. It makes the wearer seem slimmer, but accentuates his chin. Men wear the buttoned-down shanks.

### HAI-COLLAR Fashionable

At the moment this collar, also known as cutaway collar, is the best choice in business and therefore, it is very popular with fashion-conscious men. Thanks to the spread collar shanks it can also be worn with ties made of medium-weight fabric and thicker tie knots, which lends the outfit a casual yet elegant appearance.
